**About S.R.K.R. Engineering College (A) and Department of Mechanical Engineering**

Sagi Rama Krishnam Raju Engineering College is a co-educational and self-Financing Engineering College. It is one of the oldest institutions formed in 1980 to provide quality technical education. The College is housed on a land of 30 acres amidst of green paddy fields located in Chinna-Amiram village just 3km away from Bhimavaram town, which is well known as “**SECOND BARDOLI**” and is famous for one of the **Pancharama Kshetras (Somaramam)** of Lord Shiva Temple. The College stands among the top 5 private Engineering Colleges of Andhra Pradesh for Quality Education.

SRKR Engineering College offers various B.Tech. and M.Tech programmes, viz., Computer Science and Engineering, Mechanical Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, and Information Technology.

The B.Tech. programme in Mechanical Engineering has come into existence since inception of the college with present intake of 300 students. It has been constituted in an independent building with an area of 4240 Sqm. It is one of the strongest departments of the institution. The Department consists of well qualified and experienced faculty and fully equipped laboratories. It is also offering P.G. course i.e. M.Tech. in CAD/CAM. The Department of Mechanical Engineering is recognized as one of the Research centres in the year 2017.

# Vision and Mission

## VISION:

Mechanical Engineering Department strives to be recognized globally for quality education, training and research leading to well-qualified engineers, who are innovative, entrepreneurial and successful in solving problems of society.

## MISSION:

- Impart quality education to students to enhance their skills and make them globally competitive.
- Maintain a vital and state-of-the-art research to provide its students and faculty with opportunities to create, interpret, apply and disseminate knowledge.
- Prepare its graduates to pursue higher studies, serve the profession and meet intellectual, ethical and career challenges.

## Program: Sanketa2K18 Symposium

The Mechanical Engineering Department organizes a technical symposium for both B.Tech. and M.Tech. Students every year in the name of SANKETA. The aim of the symposium is to provide a platform for students of various Departments and Organizations to show and enhance their skills and also to provide fruitful interactions in regard to latest and emerging technologies.
