S.R.K.R ENGINEERING COLLEGE
BHIMAVARAM

About S.R.K.R. Engineering College (A) and Department of Mechanical Engineering

Sagi Rama Krishnam Raju Engineering College is a co-educational and self-Financing Engineering College. It is one of the oldest institutions formed in 1980 to provide quality technical education. The College is housed on a land of 30 acres amidst of green paddy fields located in Chinna-Amiram village just 3km away from Bhimavaram town, which is well known as “**SECOND BARDOLI**” and is famous for one of the **Pancharama Kshetras (Somaramam)** of Lord Shiva Temple. The College stands among the top 5 private Engineering Colleges of Andhra Pradesh for Quality Education.

SRKR Engineering College offers various B.Tech. and M.Tech programmes, viz., Computer Science and Engineering, Mechanical Engineering, Civil Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, and Information Technology.

The B.Tech. programme in Mechanical Engineering has come into existence since inception of the college with present intake of 300 students. It has been constituted in an independent building with an area of 4240 Sqm. It is one of the strongest departments of the institution. The Department consists of well qualified and experienced faculty and fully equipped laboratories. It is also offering P.G. course i.e. M.Tech. in CAD/CAM. The Department of Mechanical Engineering is recognized as one of the Research centres in the year 2017.

Vision and Mission

VISION:

Mechanical Engineering Department strives to be recognized globally for quality education, training and research leading to well-qualified engineers, who are innovative, entrepreneurial and successful in solving problems of society.

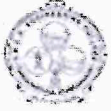

MISSION:

- To impart quality education to students to enhance their skills and make them globally competitive.
- To maintain a vital and state-of-the-art research to provide its students and faculty with opportunities to create, interpret, apply and disseminate knowledge.
- To prepare its graduates to pursue higher studies, serve the profession and meet intellectual, ethical and career challenges.

OUT REACHED PROGRAMS OF ACADEMIC CALENDAR 2018-19

List of Out Reached programs/events

- Workshop on Employability skills
- Sanketa
- Prajna
- Tree Plantation
- Sushrutha
- Innovative Measures for Students' Startups
- Sri. M.V.V.S.S.S. Varma Memorial Guest Lecture on Robotics
- Innovation Design Thinking & Entrepreneurship
- Micro, Bio-Fluid Flow Systems
- Motivation Trainer, Social Activist

DEPARTMENT OF MECHANICAL ENGINEERING

Dt: 26-01-2019

CIRCULAR

All the students are hereby informed that the Mechanical Department is going to conduct a One Day Workshop on “Employability Skills” by the resource person **Sri. Jammula SRK Prasad**, CEO, Better Castings, on 29-01-2019 at 10:00 AM in I-block. All the students are instructed to attend the workshop without fail.

Head of the Department
Dept. of Mechanical Engg.

Program: Workshop on Employability skills

The CEO of Better Castings, Sri. Jammula SRK Prasad, delivered a lecture in a seminar-cum-workshop on 'Employability Skills' in the I-Block on 29-01-2019. He suggested to the students, "Your education and experience may make you eligible to apply for a job but, to be successful in most roles; you need skills that you are likely to develop over time. Some companies demand some specifications to the job, but the majority would require the so-called 'soft skills' in the candidates, that can be used in any job or employment sectors. These soft skills are 'Employability Skills' that make you employable." "As a general rule, employers are willing to teach someone the job-specific skills required, such as how to operate particular pieces of machinery, or use particular computer packages that are very specific to that role or company. However, they usually want to see that you already have 'soft skills' before hiring, because they are much harder to teach," he further added.

Program: Sanketa Event

The Department organizes a technical symposium for both B.Tech. and M.Tech. students every year, named SANKETA. A National Level Technical Symposium which is going to be organized by Mechanical Engineering Department on 29th and 30th of January 2019. The aim of this symposium is to inculcate awareness among the students to provide a fruitful interaction on the new emerging technologies in the field of Mechanical Engineering. This symposium helps the students for the better articulation of future researches.

Program: Innovative Measures for Students start-up's

As our Prime Minister said "Take up one idea. Make that one idea your life, think of it, dream of it, live on that idea, let the brain, muscles, nerve, every part of your body be full of that idea and just leave every other idea alone. This is the way to success," we have planned a seminar on 'Innovative Measures for Students' start-up's by G. Kiran Kumar Varma, Sri Kumar Agro Oils Ltd., Jakkaram on 17-12-2018 at Mechanical E-classroom.

Program: Motivational Trainer, Social Activist

This program integral activist training should: help us to analyse, strategize, and act socio-politically, support organisations to embody the values they strive for, offer us the inter-personal tools and methods to create effective teams, enable us to grow as individuals, to develop our talents and creativity, deepen our self-awareness and learn to bring deep inner resources to support our struggles.
