DEPARTMENT OF MECHANICAL ENGINEERING
BHIMAVARAM

About S.R.K.R. Engineering College (A) and Department of Mechanical Engineering

Sagi Rama Krishnam Raju Engineering College is a co-educational and self-financing Engineering College. It is one of the oldest seminaries formed in 1980 to provide quality technical education. The college spans a land of 30 acres lush of green trees fields located at Chinna-Amiram village 3km. away from Bhimavaram town, which is well known as “**SECOND BARDOLI**” and is famous for one of the **Pancharamakshetras (Somaramam)** of Lord Shiva Temple. The college stands among the top 5 private Engineering Colleges of Andhra Pradesh for Quality Education.

The B.Tech. programme in Mechanical Engineering came into existence at the very inception of the college with the intake of 240 students. It is housed in an independent building with an area of 4240 Sqm. It is one of the strongest programmes of the institute. The Department consists of well-qualified and experienced faculty and fully equipped laboratories. The Department also offer a P.G. course in CAD/CAM. Considering the academic and research contribution and, the department is recognized as one of the research centres

Vision and Mission

VISION:

Mechanical Engineering Department strives to be recognized globally for quality education, training and research leading to well-qualified engineers, who are innovative, entrepreneurial and successful in solving problems of society.

MISSION:

- Impart quality education to students to enhance their skills and make them globally competitive.
- Maintain a vital and state-of-the-art research to provide its students and faculty with opportunities to create, interpret, apply and disseminate knowledge.
- Prepare its graduates to pursue higher studies, serve the profession and meet intellectual, ethical and career challenges.

OUT REACHED PROGRAMS OF ACADEMIC CALENAR 2020-21

List of Out Reached programs activities

- Role of Computer Science in Society & Other Engineering Fields
- 53rd Engineers Day Celebrations
- Prerana
- Training for GATE aspirants
- Performance Analysis of Manufacturing Systems
- World Water Day
- World Environment Day

Program: World Water Day 2021

The theme of World Water Day 2021 is 'Valuing Water'. The value of water is about much more than its price – water has enormous and complex value for our households, food, culture, health, education, economics and the integrity of our natural environment. If we overlook any of these values, we risk mismanaging this finite, irreplaceable resource.

Program: World Environment Day

World Environment Day (WED) is celebrated annually on 5th June and is the United Nations' principal vehicle for encouraging awareness and action for the protection of the environment. First held in 1974, it has been a platform for raising awareness on environmental issue such as marine pollution, human overpopulation, global warming, sustainable consumption and wildlife crime. World Environment Day is a global platform for public outreach, with participation from over 143 countries annually. Each year, the program has provided a theme and forum for businesses, non-government organizations, communities, governments and celebrities to advocate environmental causes. The department of Mechanical Engineering, SRKREC organized the programme keeping in view of the above mentioned points.
