**DEPARTMENT OF MECHANICAL ENGINEERING**  
**BHIMAVARAM**

**About S.R.K.R. Engineering College (A) and Department of Mechanical Engineering**

Mechanical Engineering Department is one of the oldest departments of the institute which was established in 1980. It is also one of the largest in terms of faculty, students, and activities, continues to lead and expand its activities in various directions. The department offers B.Tech. M.Tech. and Ph.D. programs with a wide choice of specializations, electives and research areas. The department was accredited thrice by National Board of Accreditation (NBA) and was recognised as research centre by the Andhra University and Jawaharlal Nehru Technological University Kakinada (JNTUK). The Department has 56 faculty members, 32 research scholars and 27 supporting staff. The department is having highly qualified and experienced faculty in all streams of Mechanical Engineering. About 20 % of the faculty members have doctoral degrees and the rest are pursuing their Ph.Ds. The faculty has been active in offering consultancy services to industries and conduct courses regularly to facilitate the continuing education of practicing engineers. About 100 research papers have been published in various International and National Journals/Conferences in the last few years. The department is very well equipped with computational facilities and resources both in terms of hardware and software. Department has more than 80 computing systems and workstations loaded with wide range of software products covering all areas of mechanical engineering. Experimental and computational facilities are being continuously upgraded. The Department has Association of Mechanical Engineering which is a forum for students to develop their professional skills. Students are also encouraged to take part in awareness campaigns that have social relevance. Alumni of the department have occupied very high positions at National and International level.

## Vision and Mission

### VISION:

Mechanical Engineering Department strives to be recognized globally for quality education, training and research leading to well-qualified engineers, who are innovative, entrepreneurial and successful in solving problems of society.

### MISSION:

- Impart quality education to students to enhance their skills and make them globally competitive.
- Maintain a vital and state-of-the-art research to provide its students and faculty with opportunities to create, interpret, apply and disseminate knowledge.
- Prepare its graduates to pursue higher studies, serve the profession and meet intellectual, ethical and career challenges.

Event Name: EKAM YOGA

Event Date: 18-09-2022

This program is set to be Mind, body, spirit balance is necessary for our stillness and dynamism as human and for that exactly, Yoga is the way forward. A 10 minutes daily surya namaskar practice can do wonders if done diligently, improving prana, and thus improving overall functioning of our body . Little baby steps with yoga to attain better health is way to a better life.Yoga has always been something more, than just a workout routine. It's always been more of a philosophy, a lifestyle for a mind & body balance.

**Outreached Activity report Prajna Event**

That sounds like a great event! It's wonderful to hear that the students of the Mechanical Engineering Department at S.R.K.R Engineering College were able to share their knowledge and passion for science and technology with local school students. It's always exciting to see young minds being inspired by these types of events.

It's also great to see a diverse group of schools to motivate the knowledge, with the **ZP High school Juvvala palem road Kopalle,** . The students reported that it helped them to increase their knowledge and felt happy from the feedback that many children were motivated towards studying in science and technology programs due to the event

Date: 8-11-2022

All the students of Mechanical Engineering Department are here-by informed that the AME Club of Mechanical Department is going to conduct Vidhyan Event on 10/11/2022 at SRKR Engineering College, SRKR Marg road, Bhimavaram-534204, West Godavari district, to train the school children towards innovation thinking by exhibiting science projects. Hence, all the students who are interested are requested to participate in the afore-mentioned program and make it a success.

Title of the Event : VIDHYAN 2K22 (Organized by Dept. of Mech. Engg.)

Event Date& Time : 10/11/2022 & 10:00AM to 11:15AM

Name of the School : Zilla Parishad High School, Kopalle

### Vidhyan Event:

VIDHYAN 2K23 is a service oriented technical awareness science exhibition conducted on 28/02/2023 at the Sagi Rama Krishnam Raju Engineering College(A) in Bhimavaram, west Godavari district to create children who are lack of more resources, helping them in the way we can follow their dreams, overcome their difficulties, and make them know about their strengths.

**Outreached Activity report Vidhyan Event**

That sounds like a great event! It's wonderful to hear that the students of the Mechanical Engineering Department at S.R.K.R Engineering College were able to share their knowledge and passion for science and technology with local school students. It's always exciting to see young minds being inspired by these types of events.

It's also great to see a diverse group of schools to motivate the knowledge, with the **ZP High school Juvvala palem road Kopalle,** . The students reported that it helped them to increase their knowledge and felt happy from the feedback that many children were motivated towards studying in science and technology programs due to the event. to create children who are lack of more resources, helping them in the way we can follow their dreams, overcome their difficulties, and make them know about their strengths.

THURSDAY, NOV 10 2022

## VIDHYAN

DEPARTMENT OF MECHANICAL ENGINEERING

## INVITATION

SRKR ENGINEERING COLLEGE  
SRKR MARG ROAD BHIMAVARAM-534204

Title of the Event : VIDHYAN 2K23 (Organized by Dept. of Mech. Engg.)

Event Date& Time : 10/11/2022 & 10:00AM to 11:15AM

Name of the School : Zilla Parishad High School, Kopalle

**Vidhyan Event:**

VIDHYAN 2K23 is a service oriented technical awareness science exhibition conducted on 10/11/2022 at the Sagi Rama Krishnam Raju Engineering College(A) in Bhimavaram, west Godavari district to create children who are lack of more resources, helping them in the way we can follow their dreams, overcome their difficulties, and make them know about their strengths.

# WORKSHOP ON ELECTRICAL VECHILES

## INTRODUCTION

Transportation is a backbone for countries economy. The traditional fossil fuel vehicles are facing serious challenges in terms of fuel efficiency, green house emission and fuel cost. Due to diminishing resources of fossil fuels, the current research in automotive industry is in main stream with electric vehicles.

Program Name: Workshop on Electrical Vehicles

Program Date: 02/12/2022

**'Workshop on Electrical Vehicles'**

A seminar on 'Workshop on Electrical Vehicles' gives an opportunity to understand the working of Electrical Vehicles which can this program is conceptualized to impart industrial work flow to students that how electric automobile components function, how vehicle is conceptualized, designed and manufactured. Where automobiles are repaired by auto mechanics and technicians.

**Outreach activity program**

The students after participating in the workshop have learned a broad view on the working of Coordinate measuring machines. This program covered everything from the program interface, probe selection and qualification, and programming. The topic on metrology gave them a broad view on the importance for calibrating various measuring instruments.

Date: 25-01-2023

All the students of Mechanical Engineering Department are here-by informed that the Carrying forward AICTE welfare initiative **Prerana**, an orientation program is scheduled by the coordinator Sri.V. Praveen, Assistant Professor at 4.30 pm at the department seminar hall on 27-01-2023. The broad objective of **Prerana** scheme is to help aspiring students seek higher education through admission tests like GATE/CAT/GRE//TOFEL/IELTS etc.

**Outreached Activity report Prajna Event**

That sounds like a great event! It's wonderful to hear that the students of the Mechanical Engineering Department at S.R.K.R Engineering College were able to share their knowledge and passion for science and technology with local school students. It's always exciting to see young minds being inspired by these types of events.

It's also great to see that a diverse group of schools participated in the exhibition, including **Zilla Parishad High School in Undi, Kopalle, Chinna Aminam, and Mahadevapatnam, as well as Vignana Bharathi**. This suggests that the event had a broad reach and was able to impact many students from different backgrounds and communities.

Overall, it sounds like the event was a huge success and had a positive impact on the school students who attended. Kudos to the Mechanical Engineering Department at S.R.K.R Engineering College for organizing such a great event.

**CIRCULAR**

All the students of Mechanical Engineering Department are here-by informed that the Hobby Club of Mechanical Department is going to conduct Vidhyan Event on 28-02-2023 at Sagi Rama Krishnam Raju Engineering College(A) in Bhimavaram to train the school children towards aware of education and a successful life. Hence, all the students who are interested are requested to participate in the afore -mentioned program and make it a success.

Event Name: Industrial Visit

Event Date: 12-03-2023

Industrial visits are usually the first point of interaction between a student and a live working industry. The students learn about the latest technology trend and make up their minds about their future job or area of interest.

## **DETAILS OF JOURNEY**

S R K R Engineering college of Engineering had organized an industrial visit on 12 February , 2023 to ZF Company located in Phoenix tech zone private limited -SEZ, survey no.203 part, Manikonda jagir, Rajendra nagar mandal, Hyderabad, 500032, for the students of Mechanical Engineering.

The visit was organized by HOD of Mechanical engineering branch Prof. Dr. K .Brahma Raju. Assistant Prof. U Rajendra Prasad Varma and were the co-ordinators Faculty for the industrial visit.

We started travelling from the college campus at 08:30 pm via our college bus. Totally 15 students along with 2 coordinators faculty were there in the journey.

## **Company Profile**

ZF is a global technology company supplying systems for passenger cars, commercial vehicles and industrial technology, enabling the next generation of mobility. ZF allows vehicles to see, think and act. In the four technology domains of Vehicle Motion Control, Integrated Safety, Automated Driving, and Electric Mobility, ZF offers comprehensive product and software solutions for established vehicle manufacturers and newly emerging transport and mobility service providers. ZF electrifies a wide range of vehicle types. With its products, the company contributes to reducing emissions, protecting the climate and enhancing safe mobility. With some 165,000 employees worldwide, ZF reported sales of €43.8 billion in fiscal 2022. The company operates 168 production locations in 32 countries.

**Outreached Activity report Industrial Visit Event**

We are thankful for all our faculties for organizing such an Informative event for us in crucial for development of our practical skills regarding steering mechanism of smart mobility & engine section & other activities. We got the knowledge on different types of steering mechanism used in ZF and had an opportunity to research on it. We hope to get more chances further to have such an informative & wonderful experiences of visiting different industries.

Date: 26-03-2023

**CIRCULAR**

All the students of Mechanical Engineering Department are here-by informed that the Eenadu publishers are going to conduct in our college the Eenadu Talent Test on 27-03-2023 at S R K R Engineering college, Bhimavaram to encourage the students' innovation thinking by conducting tests. Hence, all the students who are interested are requested to participate in the afore -mentioned program and make it a success

**Outreached Activity Report**

The keynote speaker addressed the students about the Higher studies abroad after Engineering and explained about their consultancy services as a great opportunity for all of you to gain valuable insights into the prospects of pursuing higher education abroad after completing your engineering degree. All the students get to learn about the various universities and courses available in different countries, the admission process, scholarships, and funding opportunities, and much more.

// paper clip conversion == Competition sharpens talent

Bhimavaram Town, Newsday: Teachers said that the talent of students will improve through competitions. 'Today' Pratibha ARD A quiz competition was held on Monday at Bhimavaram SRKR Engineering College as part of the annual competitions. Engineering students answered general questions on various topics. The teachers said that such tests will help identify the abilities and also give a chance to learn new things. College Vice-Chancellor SV Ranga Raju and Principal Dr. M. Jagapathi Raju presented the prizes to the students who excelled in this competition. Mechanical Engineering students G. Chaitanya Verma, G. Satvik Yadav and B. Akash bagged the first, second and third prizes respectively.

# 1. CIRCULAR

**SRKR ENGINEERING COLLEGE**  
(Autonomous)  
Recognised as Scientific and Industrial Research Organisation

Bhimavaram  
14-03-2023.

From  
Body Members of AME,  
Mechanical Engineering department,  
S.R.K.R Engineering College,  
Bhimavaram.

To  
The Principal,  
S.R.K.R Engineering College,

SUBJECT: Requesting financial assistance of Rs.1,000,00 for conducting SANKETA 2K23.

We the students of SRKR AME are conducting a prestigious event called "SANKETA 2K23, A NATIONAL LEVEL TECHNICAL SYMPOSIUM" with a nature theme. We are conducting this event every year and educating many students.

We have scheduled to host the event on 25<sup>th</sup> and 26<sup>th</sup> of March at SRKR Engineering College and the SANKETA comprises of workshop and various short technical events. To successful organise the above events we need to raise sponsorships.

We believe we could attract so many curious and ambitious students through this event, but we're looking for the right financial backing.

In this regard we request you to financially assist us with Rs.1,000,00 for SANKETA 2K23.

Your funding would really help our students association to conduct this event.

Thanking You

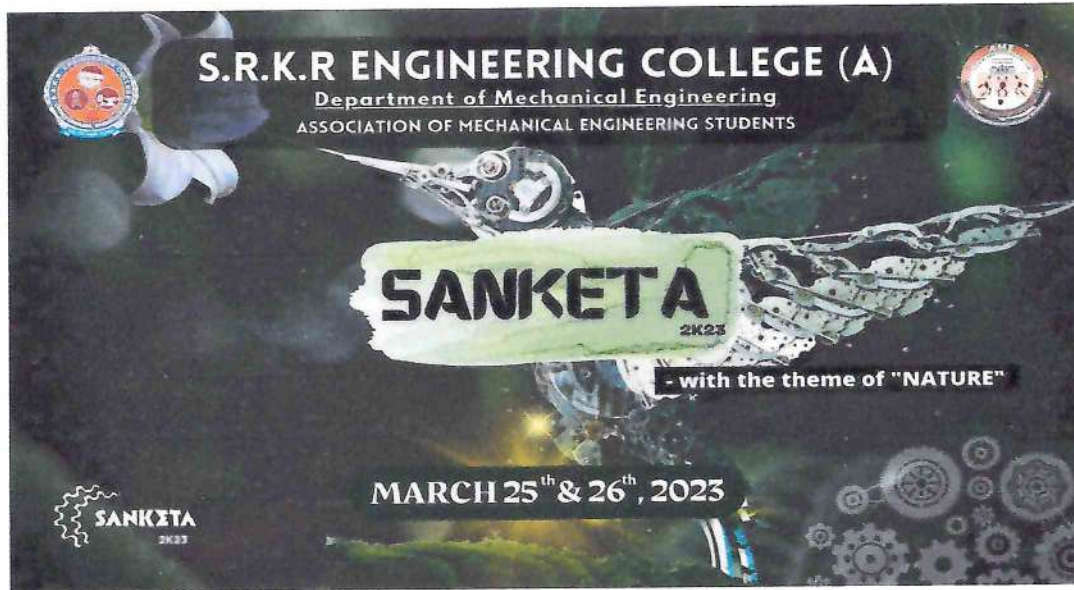

Yours sincerely,

Members of AME

G.H.V. Vasudek

warded & Recommended

**CIRCULAR**

Date: 27-03-2023

All the students of the Mechanical Engineering Department are hereby informed that a workshop is going to be conducted on our campus “workshop on hardware components” on 28-03-2023. The venue is M-405 (Mechanical Department). All the students are requested to participate in the afore-mentioned program.

Program Name: Workshop On Hardware Components

Program Date: 28/03/2023

Workshop On Hardware Components'

A seminar called 'Workshop on Hardware Components' gives an opportunity to understand the working of computer components. This program is conceptualized to impart industrial work flow to students that how electronic hardware components function, how to assemble is conceptualized, designed and manufactured. Where hardware is repaired by auto mechanics and technicians.

**DEPARTMENT OF MECHANICAL ENGINEERING**

**Outreach activity program**

The students after participating in the workshop have learned a broad view on working on hardware components. This program covered everything from the program interface, probe selection and qualification, and programming. The topic on metrology gave them a broad view on the importance for calibrating various measuring instruments.

**Report on Industrial Visit of IEI Mechanical Student Chapter**

The Student's Chapter of the Institution of Engineers (India) in the Department of Mechanical Engineering, SAGI RAMAKRISHNAM RAJU ENGINEERING COLLEGE, BHIMAVARAM -534204, Andhra Pradesh organized an industrial visit on 15<sup>th</sup> April, 2023. A total of 42 students of Mechanical Engineering visited Bindu Aerators Pvt Ltd, Komarada Village Bhimavaram. The Industrial Visit was organized and coordinated by Head of the department and Mr. P.V.Ch.R.K. Santosh Assistant Professor, Department of Mechanical (faculty advisor, IEI Student Chapter) Sri U.V. Rajendra Prasad Varma, Sri. B. Durga Prasad and other faculty members. Bindu Aerators Pvt Ltd is one of the noticeable manufacturer of the finest grade Paddle Wheel Aerator, Aerator Spare Parts and Fixed Aerator. The offered products are made with the help of high-grade components sourced from most trust vendors in the business sector and cutting-edge technology in adherence to set industry standards.
