Dear Sir,

ISRO has taken up a major initiative of "Space based information support for Decentralised planning (SIS-DP)" which aims to empower Panchayati Raj Institutions (PRIs) and stakeholders for participatory decentralized planning process at gross-root level in the country. As a part of this initiative, satellite images as well as a set of thematic maps have been generated for entire country. ISRO has developed a smart phone based mobile application and Bhuvan Panchayat portal to enable geo tagging of Panchayat level assets. Academic Institutions comprising experience faculty and enthusiastic youths in the country has shown interest to support this social endeavor of geo tagging of Panchayat level assets (Asset Mapping) under the ISRO's new project on "Empowering Panchayati Raj Institutions Spatially (EPRIS)".

We at ISRO are pleased to inform you that your Institute (**S.R.K.R. Engineering college Chinna Amiram,**) has been selected for taking up the asset mapping of **1069 Panchayat of East Godavari, Andhra Pradesh State.** You are requested to complete the activity within 3 months as per MOU. For effective monitoring, you are also requested to provide monthly progress report as per enclosed template.

With kind regards

Yours sincerely,

Letter of Intent for Asset Mapping

Between

National Remote Sensing Centre, Hyderabad - 500037
ISRO, DOS

And

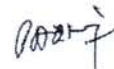

S.R.K.R. Engineering College, Chinna Amiram, Bhimavaram

ISRO has developed an online Portal - Bhuvan Panchayat (www.bhuvan-panchayat.nrsc.gov.in) under the project 'Space based Information Support for Decentralized Planning (SIS-DP)'. In order to utilize the Portal for decentralized planning by Panchayati Raj Institutions (PRIs), ISRO has initiated a new project called Empowering Panchayati Raj Institutions Spatially (EPRIS) with the goal to empower PRIs with the space-based inputs towards resource-based and integrated spatial developmental planning of rural areas in a user-friendly enabling environment. To utilize the Portal for developmental planning at Panchayat level, it is essential to have the information of existing assets so that one can assess the gap area and plan for new assets. NRSC has initiated implementation of EPRIS project covering 10% of Panchayats with the help of Partner Institutions from among SRSACs, NIRD and NGOs. During the asset mapping workshop conducted through distance learning from IIRS on 27th June 2016, academic institutions showed interest to participate in the asset mapping exercise. In order to complete the asset mapping in a stipulated time of 3 months, ISRO has identified a nominal amount of Rs. 2000 per gram Panchayat to cover the logistics by the academic institutions. To avoid duplication of work, the Letter of Intent for asset mapping has been signed by NRSC & academic institutions under the project EPRIS where National Remote Sensing Centre (NRSC) is the nodal agency for capacity building, asset mapping and activity planning for empowering PRIs. The academic institution agrees to exercise their best efforts in fulfilling the following obligations for asset mapping in the selected Gram Panchayats (as per list shown in Annexure-1):

1. All the community assets lying in the selected Gram Panchayat area are to be mapped.
2. The latest version of Bhuvan Panchayat Asset Mapping Mobile App, freely downloadable from the Bhuvan Panchayat Portal (www.bhuvan-panchayat.nrsc.gov.in) is to be used for the purpose of mapping assets.
3. The asset mapping is to be done in co-ordination with the local Elected Panchayat Representatives / Panchayat functionaries.
4. Authentication of assets mapped is to be done by the concerned Elected Panchayat Representative / Panchayat functionary.
5. The assets successfully mapped by the Bhuvan Panchayat Mobile App will be available on the Portal after moderation.
6. The following documents, available in Bhuvan Panchayat Portal for free download, may be referred for the detailed methodology: (i) Asset Directory and Mapping Guidelines, and (ii) Bhuvan Panchayat Asset Mapping App User Manual.

7. Remuneration will be paid at the rate of Rs. 2000 per Gram Panchayat. Initially 50% as advance if the number of Panchayats is greater than 50, otherwise total remuneration will be paid in advance.
8. After asset mapping, Panchayat's developmental activity planning using Bhuvan Panchayat platform will be planned separately.
9. By capacity building of the locals for using the Bhuvan Panchayat platform with the participated academic institutions in the developmental activity planning at Panchayati Raj Institutions.
10. If the work is not started or not completed in the stipulated period of three months, the remuneration is to be returned back and the allocated Panchayats will be assigned to other Institutions.

This letter of intent is valid until successful completion of the task as per the above obligations, or 3 months from the date of signing this letter, whichever is earlier. The obligations under this letter of intent can be nullified on mutual consent. This letter of Intent is not intended to and shall not constitute in any way a binding or legal agreement, or impose any legal obligation or duty on either party.

Dear Sir,

ISRO has taken up a major initiative of "Space based information support for Decentralised planning (SIS-DP)" which aims to empower Panchayati Raj Institutions (PRIs) and stakeholders for participatory decentralized planning process at gross-root level in the country. As a part of this initiative, satellite images as well as a set of thematic maps have been generated for entire country. ISRO has developed a smart phone based mobile application and Bhuvan Panchayat portal to enable geo tagging of Panchayat level assets. Academic Institutions comprising experience faculty and enthusiastic youths in the country has shown interest to support this social endeavor of geo tagging of Panchayat level assets (Asset Mapping) under the ISRO's new project on "Empowering Panchayati Raj Institutions Spatially (EPRIS)".

We at ISRO are pleased to inform you that your Institute (**S.R.K.R. Engineering college Chinna Amiram,**) has been selected for taking up the asset mapping of **909 Panchayat of West Godavari, Andhra Pradesh State.** You are requested to complete the activity within 3 months as per MOU. For effective monitoring, you are also requested to provide monthly progress report as per enclosed template.

With kind regards

Yours sincerely,

Letter of Intent for Asset Mapping

Between

National Remote Sensing Centre, Hyderabad - 500037
ISRO, DOS

And

S.R.K.R. Engineering College, Chinna Amiram, Bhimavaram

ISRO has developed an online Portal - Bhuvan Panchayat (www.bhuvan-panchayat.nrsc.gov.in) under the project 'Space based Information Support for Decentralized Planning (SIS-DP)'. In order to utilize the Portal for decentralized planning by Panchayati Raj Institutions (PRIs), ISRO has initiated a new project called Empowering Panchayati Raj Institutions Spatially (EPRIS) with the goal to empower PRIs with the space-based inputs towards resource-based and integrated spatial developmental planning of rural areas in a user-friendly enabling environment. To utilize the Portal for developmental planning at Panchayat level, it is essential to have the information of existing assets so that one can assess the gap area and plan for new assets. NRSC has initiated implementation of EPRIS project covering 10% of Panchayats with the help of Partner Institutions from among SRSACs, NIRD and NGOs. During the asset mapping workshop conducted through distance learning from IIRS on 27th June 2016, academic institutions showed interest to participate in the asset mapping exercise. In order to complete the asset mapping in a stipulated time of 3 months, ISRO has identified a nominal amount of Rs. 2000 per gram Panchayat to cover the logistics by the academic institutions. To avoid duplication of work, the Letter of Intent for asset mapping has been signed by NRSC & academic institutions under the project EPRIS where National Remote Sensing Centre (NRSC) is the nodal agency for capacity building, asset mapping and activity planning for empowering PRIs. The academic institution agrees to exercise their best efforts in fulfilling the following obligations for asset mapping in the selected Gram Panchayats (as per list shown in Annexure-1):

1. All the community assets lying in the selected Gram Panchayat area are to be mapped.
2. The latest version of Bhuvan Panchayat Asset Mapping Mobile App, freely downloadable from the Bhuvan Panchayat Portal (www.bhuvan-panchayat.nrsc.gov.in) is to be used for the purpose of mapping assets.
3. The asset mapping is to be done in co-ordination with the local Elected Panchayat Representatives / Panchayat functionaries.
4. Authentication of assets mapped is to be done by the concerned Elected Panchayat Representative / Panchayat functionary.
5. The assets successfully mapped by the Bhuvan Panchayat Mobile App will be available on the Portal after moderation.
6. The following documents, available in Bhuvan Panchayat Portal for free download, may be referred for the detailed methodology: (i) Asset Directory and Mapping Guidelines, and (ii) Bhuvan Panchayat Asset Mapping App User Manual.

7. Remuneration will be paid at the rate of Rs. 2000 per Gram Panchayat. Initially 50% as advance if the number of Panchayats is greater than 50, otherwise total remuneration will be paid in advance.
8. After asset mapping, Panchayat's developmental activity planning using Bhuvan Panchayat platform will be planned separately.
9. By capacity building of the locals for using the Bhuvan Panchayat platform with the participated academic institutions in the developmental activity planning at Panchayati Raj Institutions.
10. If the work is not started or not completed in the stipulated period of three months, the remuneration is to be returned back and the allocated Panchayats will be assigned to other Institutions.

This letter of intent is valid until successful completion of the task as per the above obligations, or 3 months from the date of signing this letter, whichever is earlier. The obligations under this letter of intent can be nullified on mutual consent. This letter of Intent is not intended to and shall not constitute in any way a binding or legal agreement, or impose any legal obligation or duty on either party.
