Description: HackOverflow 2K24, a national-level hackathon organized by SRKR Coding Club under the Training and Placement Cell of SRKR Engineering College in collaboration with the Department of CSE, brings an expanded vision beyond traditional coding competitions. This year's themes—Agriculture, Women and Child Safety, and Health Care—invite students from diverse fields to collaborate on innovative solutions. HackOverflow 2K24 recognizes every contributor with a certificate, encouraging participation across all years. Top teams securing the first, second, and third places will be celebrated for their achievements. This hackathon embodies SRKR Coding Club's mission to foster an inclusive environment and inspire participants to create community impact through technology. In addition to the top prizes, consolation prizes were awarded under each theme to appreciate innovative and impactful ideas.
