Description:

IconCoderz-2K25 was conducted as a college-level coding competition by the **SRKR Coding Club** at SRKR Engineering College, aiming to encourage logical thinking and enhance problem-solving abilities among students. The event was structured in two levels — **Beginner Level** for 1st and 2nd-year students and **Expert Level** for 3rd and 4th-year students, ensuring inclusivity across all academic years.

The competition witnessed enthusiastic participation, particularly from 1st and 2nd-year students, whose active involvement brought vibrant energy to the event. Participants engaged in solving a variety of logical and coding challenges, enhancing their programming abilities and testing their critical thinking under time constraints.

All participants were presented with certificates of participation in recognition of their involvement and enthusiasm. To encourage and appreciate outstanding performances, top participants were awarded prizes such as **smart watches** and **wireless earbuds**.

IconCoderz-2K25 reflected the SRKR Coding Club's commitment to fostering a strong foundation in coding within the institution by promoting an inclusive and competitive environment that recognizes talent, encourages innovation, and supports collaborative learning.
