About the Institute

Sagi Rama Krishnam Raju Engineering College, established in 1980, is one of the earliest self-financing Engineering Colleges in the state of Andhra Pradesh. Established with a noble cause to empower rural students through technical education, the institution today has evolved as one of the pioneering technical institutions in the country. Spreading over 30 acres of green land, the institution has set in state-of-the-art facilities for science and technology and created a conducive environment for inclusive and culturally responsive teaching-learning process. Alongside education and research, it established a history of work ethos that supports students in developing a creative, confident, and logical approach to nation building, making them highly valued graduates and opening doors to a wide range of exciting careers.

About the Faculty Development Programme (FDP)

This FDP on Introductory Universal Human Values is organized by SRKR Engineering College as per the guidelines of AICTE NCC-IP. This FDP helps the participants to understand themselves, understand and underlying harmony in nature. The participants can understand the role of human being in nature, in existence and live with fulfilment of life. This FDP on Universal Human Value will pave the way for understanding the values of human and nature which in turn bring harmony in the society.

Objectives:

- To prepare Faculty Mentors for 3 weeks mandatory Student Induction Programme (SIP)
- To make the Faculty eligible for attending UHV-II course and handling UHV course in the curriculum.
- To achieve the Common Graduate Attributes and Specific Graduate Attributes
- To help the faculty members to lead a fulfilling life by maintaining harmony at individual, family, society and nature level.

Salient Features of FDP

The FDP on Introductory Universal Human Values is in continuation with that tradition of self-inquiry and well-being of all the participants. This 3-days FDP is conducted through the systematic study of the harmony from individual to family, society and natural/existence. It discusses about the natural laws and reality in a way that anyone can explore and understand it on their own self-evaluation. It enables the participants to discover and understand the innate values of human being in every aspect of life. The overall purpose of this FDP is to enable the participants to live a fulfilling life, in harmony with oneself and with family, society and nature.
